# ALLERGEN ADVICE

Our food is prepared in a kitchen where gluten and other food allergens may be present.

Our menu descriptions do not include all of the ingredients.

If you have a food allergy or intolerance please speak to a member of staff about your requirements. Fish dishes may contain bones.

**Vegetarians** please note we take every effort to avoid cross contamination  
**Gluten**:- ALL items are coded for gluten, this may NOT mean that the meal contains gluten BUT has been cooked in a way that means it may have been in contact with products that contain gluten, basically we are covering our own backside! please ask us for further advice.

**Nutty** people - although some bought in products contain nuts or the chance of nut traces, we don't use peanuts in any of our dishes, where nuts are used precautions are taken to limited the chances of cross contamination & nut products will be labelled with the key A8 in our menu if you have a specific dietary requirement please speak to us and we will attempt to accommodate your needs

Below you will find the key to the allergen content of our menu if you have any questions please ask a member of staff to speak to our kitchen team
